

SDC CONNECT

TAKLA/SDC SURVEYS

We have over 200 surveys completed in the first year, which is amazing! To complete the survey, if you haven't already, contact our Community Liaison Officer, Michael Teegee OR visit our website:
www.sasuchan.ca/survey

The survey incentive is still up as well! We do need to remind members that if you have already completed the survey, you do not need to complete it again unless you want to add information to your profile.

If you have already previously completed the survey, you are not eligible to join the monthly gift card draw.

July 2019

New Sasuchan Team Member

We would like to introduce our new staff member! Shaun Cormier started with us at the end of June as Sasuchan's project manager.

For more information on who Shaun is, you can visit our website to check out his biography or stop by the office and introduce yourself!

SDC Community Meetings

Our second set of community meetings was a hit!

We want to thank everyone who came out to our meetings in Prince George and in Takla. It is important to us to gather input from Nation members on the work we are doing to help guide us to achieve our and the Nation's goals for Sasuchan Development Corporation.

If you were unable to be in attendance at either of the meetings, no worries! We have produced a quick video of the presentations that took place at the meetings. Check out our Facebook and website to view this video to see what you missed!

The presentations will be available for viewing on our website for you to view.

We love feedback, so we look forward to hearing from all members as every voice is entitled to be heard.

Fire Fuel Project

Due to Takla village being heavily impacted by mountain pine beetle in the last 3-5 years, there has been a significant threat to wildfire surrounding the community. This project is set to be ongoing and will be finished with the burning of the piles in the Fall of 2019.

To stay updated and to view pictures and footage of the entirety of the project thus far, check out our website and Facebook albums. 😊

NEXT ISSUE:

The next newsletter will be distributed in October 2019.

Opportunities

Interested in working with Sasuchan?

Even if we have no openings, we highly encourage people to submit their cover letter, resume and tickets to us. Specifying the type of work you are seeking will help us find what you are looking for, whether it be with us or any other company!

Email your documents to Caitlin Abraham: c.abraham@sasuchan.ca

We currently do not have any trainings set in scheduled, stay tuned.
