will be sent out closer to
events.**

May 2019

New Sasuchan Team Members

We would like to start this newsletter off by introducing our two new staff members! Nick Fuchs has taken on the role of financial controller and Charlotte Jakumeit is our new accountant.

For more information on who they are, you can visit our website to see their biographies or stop by the office and introduce yourself!

Fire Fuel Management Project

Check out our website to see the pictures and video footage of the work being done this past spring! Next week, we will post a video update of a few details relating to the project so be on the lookout on our social medias for that short video!

Survey Incentive!!

Have you completed our survey yet? If you have, that is fantastic and if you haven't, what's the hold up? This survey is used to help us determine what you want as a member of Takla Nation. Questions varying from your job experience, education, future business endeavors and training opportunities that you would like to see offered. For more information on the intention of this survey or to complete the survey, contact our Community Liaison Officer, Michael Teegee.

You can also find the survey on our website: www.sasuchan.ca/survey

To put a pep in your step for completing the survey, we are upping the stakes! We have received just under 200 surveys since this process started, so for those who were first to complete the survey, we have done a random draw for 4 \$50 gift cards!! Congrats to the 4 winners - check out our recent FB video to see who won! 🎉

If you haven't completed the survey yet, that is not a problem! We will continue this incentive, giving away 1 \$25 gift card on a monthly basis, but you have to complete the survey to be entered!

A FRIENDLY REMINDER: If you have already completed the survey, please don't submit another one. If you want to make additions to your profile, you are more than welcome to do so, but you will not be entered into the draw.

Opportunities

Interested in working with Sasuchan?

Even if we have no openings, we really encourage people to submit their cover letter, resume and tickets to us. Specifying the type of work you are seeking will help us find what you are looking for, whether it be with us or any other company! Email your documents to Caitlin Abraham: communications@sasuchan.ca

Currently, we have no trainings set for the next few months.

We would like to announce that we are bringing an Environmental Technician training to Prince George at the end of September! For any inquiries on this training, please contact our Director of Community Services, Susan Stearns. Stay tuned for the details on when and how you can register. 😊

NEXT ISSUE:

The next newsletter will be distributed in July 2019.
